Firm Names New President / Chief Executive Officer

LENEXA, Kan. – The Board of Directors of Clarence M. Kelley Enterprises, Ltd. has tapped Todd Dupriest as the firms next President and Chief Executive Officer. Dupriest, who has served as the firms Vice President and Chief Operating Officer since January 2004 will replace Tom Dupriest effective January 1, 2009.

“We’ve spent the last few years firming up our foundation” says Todd Dupriest. “Now following the implementation of our ESOP, we’re ready to build on a solid group of Employee Owners” he added. “I’m looking forward to the challenges.” “With a team like ours, there are a great number of opportunities in front of us which are now within reach.”

Clarence M. Kelley & Associates, Inc. (CMKA) is a professional investigative and security consulting firm based in Lenexa, KS.
