

Why should Clarence M. Kelley & Associates conduct your Origin and Cause Fire Investigations?

- **28 years** of stable, high quality service to the Fire Investigation Industry, founded by Clarence M. Kelley former Director of the FBI.
- Very **economical rates**. A recent, independent survey showed CMKA's rates to be from the middle to the low end of the competitive rates scale.
- **Nationwide coverage** either by our Staff Investigators or via our nationwide network of pre-approved agencies like ours. A "ONE STOP SHOP" for you.
- Highly **credentialed** and **certified** Fire Investigators. Nearly all of the CMKA Investigators are CFI certified and are able to provide expert witness testimony.
- **Reports are** thorough, standard format and professionally presented. They can be submitted electronically (with evidentiary images) if you wish. Easily conformed to your corporate requirements.
- A menu of additional **complimentary security and investigative services** are available in support of your case...subrogation, interviews, backgrounds, follow-up, general investigation, etc.
